## About Real Code Ltd

---

Real Code Ltd is a leading WordPress website design agency based in London, specialising in professional web design and cutting-edge AI solutions for businesses of all sizes. We transform your online presence with expert B2B web design services and advanced AI Agents that attract more clients, increase efficiency, and streamline operations.

## Our Mission

To provide exceptional digital solutions that help businesses grow through modern, responsive, and high-performing websites, alongside intelligent AI automation that turns visitors into customers and optimises internal processes.

---

## What We Do Best

---

### ✓ Custom Design That Reflects Your Brand

We craft visually stunning websites tailored to your business and audience—designed to tell your story clearly and confidently.

### ✓ Mobile-Responsive & User-Friendly

Your site will look and work great on any device, with intuitive navigation and a layout built for engagement.

### ✓ Fast, Optimised Performance

Slow sites lose customers. We build for speed and performance, so your visitors stay longer and convert more.

### ✓ SEO Built In

We follow best practices to help your site rank higher on Google and get found by the right people.

### ✓ Clear Messaging That Converts

We focus on simple, compelling content that helps users understand what you do—and why they should choose you.

## ✓ Ongoing Support & Maintenance

No web team? No problem. We offer hassle-free updates, security checks, and performance monitoring so your site stays sharp.
